

## 2022 Distinguished Service

### ***NASP Involvement***

Carmine has selflessly volunteered countless hours to help further the NASP mission and programs, all while serving as the CEO for a large specialty pharmacy. Carmine has served as a member of the NASP Board of Directors since 2014 and has served on the Executive Committee since 2014. As a member of the Executive Committee, he participates in weekly meetings at 7 AM each Friday. Carmine was also the first Board Chair to serve a two-year term from 2019-2020. He has chaired the Annual Meeting & Expo Committee for five+ years and participates in these meetings for approximately ten months out of the year. Carmine has promoted and attended every NASP Annual Meeting & Expo and has helped define the vision and direction of NASP and supported the tremendous growth of NASP. He is a supporter of the Political Action Committee (PAC) as well which is extremely important with a young organization trying to establish a new PAC. Not only did he provide financial support but demonstrated extremely strong leadership skills as well. Carmine spends a minimum of 8-10 hours still per week for NASP business in addition to his very full-time position.

### ***Leadership***

Through his roles on the Board of Directors, Executive Committee, Board Chair, and in leading the Annual Meeting & Expo Committee, Carmine has served as a coach and mentor for many individuals. He has served as an example for others in all of the roles mentioned, and has consistently provided advice, mentored and coached the NASP President & CEO, NASP staff, and the incoming Chair. Carmine is extremely approachable and down to earth and readily shares his wisdom, experience, and advice with others, including his staff, NASP staff, NASP members, and attendees at the Annual Meeting.

### ***Advocate***

Carmine has participated in all Capitol Hill Days calling on legislators to advocate for critical specialty pharmacy industry issues. In his roles as Board Chair and a member of the Executive Committee, he consistently provides the vision, direction, and strategy on issues and legislative matters that impact the entire industry. In addition, Carmine has led and participated in countless strategic planning sessions. He has helped further the vision and mission of NASP and helped to define how NASP can further support the industry. Through his selfless contributions, he has made a difference in the industry and in the lives of many he has come in contact with.

### ***Community Involvement***

With more than 35 years of executive leadership in both retail and specialized pharmacy services, Carmine was a key industry contributor in defining the "specialty" pharmacy
