**Business type**

Technology (FinTech) We offer pharmacies a white-labeled custom online payments solution and more.

**Mission**

Provide every pharmacy a white-labeled custom online payments solution so they can give their consumers the ability to transact online as they are accustomed to in other industries to include banking, travel, restaurant, and retail industries. Provide pharmacies, including specialty, the online technology and tools necessary to survive and thrive in an extremely competitive marketplace.

**Additional information about HealNow**

HealNow is the online payments platform for pharmacies.

We allow pharmacies to offer their patients a modern online checkout experience to schedule delivery or curbside pickup, purchase any OTC items (supplements, services), answer clinical (or non-clinical) questions, and pay for their prescriptions online. We give pharmacies the same tools that CVS and PillPack have but at a fraction of the price. The results for our pharmacy partners include increasing operational efficiency, reducing administrative burden, increasing revenue, and enhancing the patient experience.
