Award-winning specialty pharmacy care

How can we partner to improve lives?
Welcome!

Dear NASP Members and Conference Attendees,

It is an honor and a pleasure to officially welcome you to the National Association of Specialty Pharmacy (NASP) 2022 Annual Meeting & Expo! We are so excited to reconnect with the world and each other and welcome you to the beautiful Gaylord Palms Resort and Convention Center in sunny Orlando, Florida.

This year’s conference is three years in the making and extra special! It will offer everything that attendees love and have come to expect, as well as many new events, activities, and educational opportunities as we celebrate NASP’s 10th Anniversary and all that is special about specialty pharmacy. From magical events and momentous celebrations, historic announcements, riveting keynote addresses, thought-provoking pre-conference workshops, four separate and extensive educational tracks, live CE credit, a full-scale exhibit hall, robust networking opportunities, the fabulous Women in Specialty Pharmacy Luncheon, our new Educate to Cultivate networking event, coveted industry, scholarship, and poster awards, and so much more ... the 2022 Annual Meeting & Expo will simply be the biggest and best Annual Meeting to date.

Conference highlights include:

• 40+ unique educational sessions and panel discussions organized into four CORE (Clinical, Operational, Regulatory, Patient Experience) dynamic tracks to help you focus on what is most important to you.

• Six pre-conference workshops
  — Accreditation Workshop (1/2 day)
  — Certified Specialty Pharmacist Exam Prep Course
  — Home Infusion Workshop (1/2 day)-presented by our friends at NHIA
  — Hospital and Health System Specialty Pharmacy Workshop
  — Specialty Pharmacy Law Conference
  — Technology Day Workshop

• LIVE CEs for pharmacists, pharmacy technicians, and nurses and CLEs for legal professionals

• Keynote presentations
  — Tuesday, Justin Patton will kickstart the meeting and challenge us to look at ourselves differently and reimagine our teams, family, patients, and the patient journey while appreciating the power of our presence.
  — Wednesday, Emmy award-winning television personality Montel Williams will share his story about his journey with MS and how he advocates for patients worldwide.
  — Thursday, Monica Pearson, a multi-award-winning Atlanta news anchor, presents on Diversity, Inclusion, and Equity in the Workplace.

• The Exhibit Hall features 90+ exhibitors, representing all stakeholders from the specialty pharmacy industry.

• The ever-popular Women in Specialty Pharmacy luncheon is back! Amelia Rose Earhart, winner of the Amelia Earhart Pioneering Achievement Award and named one of the “Top Ten Young Americans” will share her incredible story.

• And NEW this year, Educate to Cultivate is a unique opportunity to reconnect with old friends and foster new business relationships while learning something new. Join us for lunch to learn more about Florida’s oldest industry and time-honored tradition, the authentic and skilled art of cigar rolling.

• Review the latest research and trends while engaging in author discussions during our poster presentations and join us as we honor our poster award winners on Thursday morning.

• Multiple CE satellite symposia to enhance your clinical and practical pharmacy knowledge.

• Celebrate your peers at the NASP Annual Meeting Awards Presentations including two new 2022 honors — the Caregiver of the Year and the Manufacturer or the Year Awards.
• Recognize the achievements and ambitions of the next generation at the NASP Ron Bookman Scholarship awards.

• Participate in robust networking opportunities. Join us Monday and Tuesday evenings in the Exhibit Hall to learn about all the services and products offered by our exhibitors, catch up with friends and colleagues, and make new connections.

• Three Wellness activities will help you start your day.
  — Tuesday: Tai Chi Class
  — Wednesday: Tea Blending Class
  — Thursday: Dance Class

• One Huge Celebration! Join us for an evening you won’t soon forget on Wednesday at 6:30 PM as we celebrate our 10th Anniversary! We have so much fun, and many surprises, planned. You don’t want to miss it!

• And one SURPRISE announcement … here’s a hint … how do you say N A S P???

These are the highlights, but the conference has so much more to offer. Our diverse agenda provides many opportunities to learn about industry trends and innovations, the latest clinical information, and regulatory updates; earn much-needed LIVE CE credit, reconnect with old friends, and make many new connections.

I want to express my heartfelt gratitude and appreciation to all who have worked tirelessly and diligently for months to make this conference a success.

• Our sponsors, exhibitors, and attendees: Without your generous support, the NASP Annual Meeting & Expo would not be possible.

• Our presenters and panelists: The nation’s leading industry experts have volunteered to share their experience and expertise with us.

• NASP members who graciously volunteered to serve as Meeting Ambassadors, Session Monitors, and Abstract Reviewers.

• NASP Executive Committee, Board of Directors, and our nine NASP member led committees — they volunteer countless hours and give generously of their time and energy to ensure our conference is a resounding success.

• The Annual Meeting & Expo Planning Committee — this incredible team has been hard at work throughout the year to plan the conference.

• The NASP Membership and Ron Bookman Scholarship Committees who review and score all nominations for our Industry awards and scholarships.

• Education consultant Jonathan Ogurchak, the NASP Education Committee, Education Center Subcommittee, NASP Annual Meeting Programming, CSP Exam Prep Course, Nursing Education, Annual Meeting Abstracts Program, Publications, Technician, and Hospital & Health Systems workgroups, Accreditation Workshop Workgroup, and Legal and Technology Committees for their tireless dedication and commitment to the development of best in class educational programming and an esteemed speaker faculty for the conference.

Throughout the conference, as we enhance our expertise and invest in our future, it is essential to keep the patient at the center of all that we do. Through all the educational offerings and conference activities, we strive to elevate the practice of specialty pharmacy. Our focus is and will always be ensuring patients have appropriate access to specialty medications in tandem with critical services from the pharmacy of their choosing.

Thank you to each of you for attending the NASP 2022 Annual Meeting & Expo and sharing your time, experience, expertise, and energy with us and each other. When the conference ends, I hope everyone has a renewed sense of commitment, inspiration, and passion for this amazing industry. You, as the industry leaders, have the vision, the knowledge, and the experience to help us shape our future. You are truly our greatest asset, and we simply could not accomplish what we do without your support and partnership.

I hope over the next four days you will take some time to stop and appreciate the power of your presence in the world around you. Experiences are more impactful when we share them together. Here’s to creating new memories in new places!

With my very best,

Sheila M. Arquette
Sheila Arquette, RPh
National Association of Specialty Pharmacy
President & CEO
A smarter specialty fulfillment process.
A swifter start to treatment.

With shared intelligence from Surescripts, one specialty pharmacy:

- Decreased average time to fill by nearly two days
- Cut phone calls to prescribers for missing data by 44%
- Improved dispense rate 14%

Learn how at Booth #512.

Join us: Guiding Patients Through the Specialty Maze
Thursday, 1:45–2:45 p.m.

The specialty landscape is a labyrinth of patient enrollments, information gaps to fill, prior authorizations and phone calls. Hear a panel of experts share the solutions and standards they’re deploying to create a faster path to treatment and a better patient experience.

The National Association of Specialty Pharmacy (NASP) is the only national trade association representing all specialty pharmacy industry stakeholders. Founded in 2012, the mission of NASP is to elevate the practice of specialty pharmacy by developing and promoting continuing professional education and certification of specialty pharmacists, while advocating for public policies that ensure patients have appropriate access to specialty medications in tandem with critical services. With more than 170 corporate members and over 3,000 total members, NASP is the unified voice of specialty pharmacy in the United States.

Due to the complexity and interdependency of specialty pharmacy patient care, NASP membership encompasses organizations across the entire healthcare spectrum, including specialty pharmacies, pharmaceutical and biotechnology manufacturers, group purchasing organizations, patient advocacy groups, integrated delivery systems, health plans and PBMs, technology and data management vendors, law firms, logistics providers, wholesalers and distributors, practicing pharmacists, pharmacy technicians, students and nurses.

NASP provides an online education center that offers 75+ accredited continuing pharmacy education programs, hosts an annual meeting with both clinical and business focused educational sessions and continuing education credits, and is the only organization that offers the Certified Specialty Pharmacist (CSP) credential, designed to validate professional expertise in specialty pharmacy practice.

In addition to dispensing medications to patients living with complex, life-altering, and often life-threatening medical conditions, specialty pharmacy also provides comprehensive and coordinated patient care support services and disease management programs. Specialty pharmacy serves as an extension of the prescriber’s office, working to ease the treatment burden for patients, families, and caregivers as they work to manage complex, rare, progressive, or debilitating illnesses. These include cancer, hepatitis C, infectious disease, infertility, Crohn’s disease, rheumatoid arthritis, psoriasis, HIV/AIDS, multiple sclerosis, cystic fibrosis, organ transplantation, human growth hormone deficiencies, hemophilia, and other bleeding disorders.

NASP is proud of its role in supporting its members to improve therapeutic outcomes and controlling health care costs, both for patients and for the overall health care system. NASP supports a free-market health care system in which all specialty pharmacies compete on the same fair and level playing field and believes Americans with serious health conditions should not face barriers to the care that they, their physicians, and their pharmacists determine is best for them. NASP is committed to working with all stakeholders and policymakers to ensure that all patients have access to the life-saving medications they need and the high-touch patient care support services they deserve from the pharmacy of their choosing.

**Founding Members**

The companies below provided their initial support and continue to be instrumental in supporting NASP’s mission to promote and elevate the practice of specialty pharmacy. Thanks to their vision, commitment, and generosity, the specialty pharmacy industry now has a unified, national voice and representatives advocating on their behalf and on behalf of the patients we collectively serve.

In Memory of Jordan Maddocks

Sadly, Jordan passed away in June 2022. Jordan’s service to this industry was exemplary. His impact and reach were far and wide not only within Elixir Pharmacies, and NASP but across the pharmacy profession as well. Jordan was a Certified Specialty Pharmacist (CSP) selected by the Specialty Pharmacy Certification Board (SPCB) as subject matter expert, writing and reviewing content for the CSP examination, and a member of the NASP Clinical Outcomes Committee.

Jordan’s love for his family, faith and humility were inspiring to all those fortunate enough to know him. He was a warm and kind friend to so many. We will forever remember Jordan for his infectious enthusiasm, amazing positivity and upbeat personality and always be grateful for his willingness to share his time, energy, and talents with us.

WELLNESS ACTIVITIES

Tai Chi Class
Tuesday, September 20, 2022 | 6:00 AM - 7:00 AM
Involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. It is a non-competitive, self-paced system of gentle physical exercise and stretching. Each posture flows into the next without pause, ensuring that your body is in constant motion.
Location: Citrus Ballroom

Tea Blending Class
Wednesday, September 21, 2022 | 6:00 AM - 7:00 AM
A professional herbalist offers an overview of natural medicinal home brews from both a physical and an aromatherapeutic aspect. The class includes 8-10 herbs, tea bags, and sealed packaging for takeaways.
Location: Citrus Ballroom

Dance Class
Thursday, September 22, 2022 | 6:00AM - 7:00 AM
The class includes energizing music with dance steps taught in a progressive format, creating a fun and exciting class for all levels. The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body.
Location: Citrus Ballroom

Register for all Wellness Activities at the Registration Desk.
Attendees are required to sign a waiver onsite to participate. Hurry — class size is limited to 50 for each of the Wellness Activities.
Returning in 2022...

Dedicated Attendee Networking Lounge

Engage with attendees, faculty, and exhibitors during the NASP 2022 Annual Meeting & Expo.

The Networking Lounge is open daily Tuesday, September 20 - Thursday, September 22 located outside the Exhibit Hall

Reservations not required. Meeting space available on a first-come, first-served basis.
WITH NASP

EDUCATION IS C.O.R.E.

CLINICAL | OPERATIONAL | REGULATORY | PATIENT EXPERIENCE

THE ANNUAL MEETING AGENDA IS ORGANIZED INTO 4 DYNAMIC TRACKS TO HELP YOU FOCUS ON TOPICS OF MOST IMPORTANCE TO YOU.

www.naspnet.org
Justin Patton
Leadership & Development

Tuesday, 8:00 AM, Coastal Ballroom

Justin Patton is an executive coach, leadership presence expert, and award-winning author who challenges individuals to use their presence to build stronger trust and connection – both in the workplace and with the people they love the most.

Justin’s engaging style, relatable storytelling, and insightful messages make him a sought-after keynote speaker. His programs will inspire you to reimagine who you are at your best and understand what it takes to make your voice and presence matter.

Justin believes if you ever want to be a great leader of other people, you must first be a great leader of yourself. Justin studied body language from a former FBI agent and coached NCAA athletes and contestants in the Miss America and Miss USA pageants. He is currently a faculty member for the US Chamber of Commerce, and a member of both the International Coach Federation and National Speakers Association.

Justin believes trust and communication are the foundation for every successful business and relationship. His leadership workshops will challenge leaders to disrupt the patterns of behaviors holding them back.

Everyone benefits when you show up with stronger leadership presence. Justin empowers organizations to reimagine how they develop leaders, and he challenges individuals to reimagine how they lead, love, and communicate. He teaches leaders how to become better leaders of themselves, so they can be better leaders of others.

Justin creates a safe space for people to look at themselves and their potential differently. He reminds them who they are at their best, how they might be holding themselves back, and how to communicate with stronger emotional intelligence. Every organization benefits when its leaders have more self-awareness about who they are and how they show up every day.

Justin understands that people bring their whole selves to work every day. What happens outside of work affects how people show up inside of work. He not only wants to make authentic, trusting leaders at work. He wants to help individuals show up better in their marriage, with their family and friends, and even with themselves!
Montel Williams earned his media celebrity status as an inspirational Emmy Award winning television personality whom Americans invited into their homes for more than 17 years. He is a decorated former naval officer, inspirational speaker, author, entrepreneur, and advocate for patients worldwide.

Before and after the success of his television show, Montel has been passionately involved in many projects that he has transformed into major initiatives with the aim of helping others. Williams is currently hosting the hit Lifetime Show, Military Makeover with Montel. Military Makeover with Montel offers hope and a helping hand here on the home front to members of our military and their loved ones.

He is also co-hosting the Balancing Act, a lifestyle show on Lifetime that strives to help people “do life better”. Williams hosted “The Montel Williams Show”, a nationally syndicated talk show distributed by CBS Paramount Television, for 17 years, taping over 3,500 shows and interviewing more than 30,000 guests focusing on key social issues involving ordinary people coping with extraordinary circumstances. He received a Daytime Emmy® Award for Outstanding Talk Show Host and his show was nominated for Outstanding Talk Show two years in a row. Williams enjoys acting and performs whenever his schedule permits. Williams has been a prolific author of uplifting and practical books, of which four became bestsellers. They include the following:

- **Living Well Emotionally: Breakthrough to a Life of Happiness**
- **Living Well: 21 Days to Transform Your Life, Supercharge Your Health, and Feel Spectacular**
- **Climbing Higher**
- **Body Change**
- **Life Lessons and Reflections**
- **A Dozen Ways to Sunday: Stories of Hope and Courage**
- **Mountain Get Out of My Way: Life Lessons and Learned Truths**
- **Practical Parenting**

Shortly after being diagnosed with MS in 1999, Williams established the Montel Williams MS Foundation to further the scientific study of MS, provide financial assistance to select organizations and institutions conducting research, raise national awareness, and educate the public. The MWMSF has granted over $1.5 million dollars to research and has supported a study done at the Karolinska Institute in Sweden, which discovered an MS gene.

In January 2006, Williams became the national spokesman for the Partnership for Prescription Assistance (PPA), a patient assistance clearinghouse program that has matched over 6 million Americans to public and private patient assistance programs providing them with more than $13 billion dollars of free or nearly free prescriptions.

Because of Williams’ own military service, he has a special place in his heart for our servicemen and women. Over the years he has been involved in charities promoting diversity, the welfare of children, animal rights and the well-being of active-duty troops and veterans to name just a few. Williams currently serves as an advisory board member for the Fisher House Foundation, and the Ann Romney Center for Neurologic Diseases at Brigham and Women’s Hospital. Williams began his professional career in the United States Marine Corp and was the first black Marine selected to the Naval Academy Prep School to then go on to graduate from the United States Naval Academy. Williams earned a degree in general engineering and a minor in international security affairs. He also earned a degree from the Defense Language Institute in Russian and Mandarin Chinese. While serving in the military Williams was the recipient of two Meritorious Service Medals, two Navy Commendation Medals, two Navy Achievement Medals and various other military awards and citations.

Williams is a passionate snowboarder, traveling the world heliboarding whenever his schedule allows. He is the proud father of four adult children and resides in Miami, Florida with his wife Tara.
Monica Pearson
Racial Equity, Diversity, and Inclusion
Thursday, 8:30 AM, Coastal Ballroom

Monica Kaufman Pearson is the first woman and first minority to anchor the daily evening news in Atlanta, Georgia, where she worked for 37 years at the leading station, WSB-TV. She has won over 33 Southern Regional and local Emmy Awards for reporting, anchoring and her Closeups celebrity interview show. When she retired, she was honored on the floor of the U.S. House of Representatives by the bipartisan delegation of the State of Georgia for her years of service on and off the air to improve the lives of the citizens of Georgia.

Since retiring in 2012, she's stayed busy. At the age of 67, she graduated with a master’s degree, Magna Cum Laude from the University of Georgia Grady College of Journalism and Mass Communication in 2014. She wrote a column, Monica Matters, for the quarterly magazine, Southern Seasons, and taught at Atlanta Metropolitan State College. She is a much sought-after emcee and motivational speaker and since 2014, she has freelanced at KISS 104.1 FM, hosting This Week in Black History, on their website. For five years she hosted a Sunday public affairs show on KISS 104.1. She also is one of three hosts of the Emmy nominated Georgia Public Broadcasting show, A Seat at the Table, GPB.org/ASATT. Recently she has become a radio and television spokesperson for businesses and institutions and a voice over actor. She is a member of SAG and AFTRA.

Monica was inducted into the National Association of Black Journalists Hall of Fame, the University of Kentucky Journalism Hall of Fame, the Georgia Association of Broadcasters Hall of Fame, the Atlanta Press Club Hall of Fame, the Georgia Music Hall of Fame and the National Black Radio Hall of Fame. She is a Lifetime Trustee of Meals on Wheels Atlanta. In May of 2015, she chaired the Go Red for Women Luncheon of the America Heart Association and has served on the Executive Leadership Council and on the American Heart Association National Communications and Marketing Committee. She is also the first non-medical person to serve on the board of Americas-Hepato-Pancreato-Biliary Association Foundation (AHPBAF).

In 2016, she was inducted into Georgia Trend’s Most Influential Hall of Fame. In 2019, she was inducted into the Trumpet Foundation International Civil Rights Walk of Fame, and was named the 2019 Woman of Purpose by Women United of the Greater Atlanta United Way. The Jeanette Rankin Foundation named her their Shining Star for 2019. In 2021, she was inducted into the National Black Radio Hall of Fame. Monica is a member of The Junior League of Atlanta. She is a breast cancer and liver cancer survivor.

Monica has received honorary Doctorates of Humane Letters from Atlanta University, now named Clark Atlanta University; Oglethorpe University; American Bible University and a Doctor of Public Service from Young Harris College.

She is married to John E. Pearson, Sr., is the mother of Claire Patrice Deveaux and stepmother of John E. Pearson II.
Amelia Rose Earhart, namesake to the famed Amelia Mary Earhart who attempted to fly around the world in 1937, is the youngest woman to fly around the world in a single engine aircraft. In 2014, Amelia flew a Pilatus PC12-NG 28,000 miles, crossing the equator six times, through fourteen countries to complete a circumnavigation of the globe. Her parents, sharing the Earhart surname, wanted their daughter to have a name that would inspire her to live a life of passion and adventure.

Amelia is the President of the Fly With Amelia Foundation, a nonprofit organization that grants flight-training scholarships to young women, aged sixteen to eighteen. The Fly With Amelia Foundation also fosters aviation and aerospace opportunities for people of all ages through aviation-based educational STEM opportunities, in partnership with Wings Over the Rockies Air and Space Museum in Denver, CO.

Amelia has been a passionate aviatixx since her first flight lesson at the age of twenty-one, a seeker of all things adventurous and is an accomplished public speaker, spending the last 8 years working as a television news anchor, covering breaking news, traffic and weather in Denver and Los Angeles. Amelia was given the Amelia Earhart Pioneering Achievement Award in 2013 and in 2014 was named by the Jaycees as one of the “Top Ten Young Americans”.

NASP thanks all of our 2022 Sponsors!
We help our patients focus on what matters.

In an industry concerned more with profits and power, we at Senderra have chosen a different path. We are a specialty pharmacy made up of People who serve other people. We believe that we all exist within the health care industry to serve Patients as People. It’s about all of us. We all want to live longer and happier lives. That’s why people are at the center of our approach in providing affordable access and fulfillment of prescriptions for the most effective and appropriate specialty medications for each person we serve.

Missed us at NASP? E-mail managed.care@senderrarx.com to connect.

On behalf of the National Association of Specialty Pharmacy (NASP), **THANK YOU** to our many dedicated and passionate volunteers. We truly rely on the generosity and volunteer spirit of our members. I am extremely grateful for your dedication to NASP and our mission to elevate and promote the practice of specialty pharmacy. Without your help, none of this would be possible.

*Sheila M. Arquette*
Visit 25 booths and collect a sticker at each booth to **WIN** great prizes!

**EXHIBIT HALL PASSPORT GAME**

Visit 25 booths in the Exhibit Hall and collect a sticker at each. Learn about the products and services each Exhibitor has to offer. Winners will be notified at the close of conference!

**GRAND PRIZE:**
2023 Conference Registration

**SECOND PRIZE:**
Gift Bag of New NASP Rebrand Swag

**THIRD PRIZE:**
Welcome to Grapevine, Texas gift basket

**THANK YOU FOR PARTICIPATING!**

**NASP 2022 ANNUAL MEETING & EXPO**
Gaylord Palms Resort & Convention Center, Orlando, FL
September 19-22, 2022

Winners will be notified at the close of conference.
Rare diseases and gene therapies are our specialties.

When Emily’s son, Wesley, was diagnosed with Spinal Muscular Atrophy (SMA), a rare, devastating condition, he needed to receive a life-saving drug at rapid speed. Within four days of Wesley’s diagnosis, prior authorization was obtained, medication shipped, and delivered to his pediatric neurologist for his vital infusion. Orsini Specialty Pharmacy’s quick response ensured he received a single dose of gene therapy that could change the course of his life forever.

Our number one priority is enabling patients with rare diseases to access specialty medications with empathy and exceptional care. To learn more about how we can partner with you to deliver customized programs and patient journeys, call 847.734.7373 today or visit orsinispecialtypharmacy.com
THANK YOU to Co-Founder Mike Nameth

As we celebrate the National Association of Specialty Pharmacy’s 10th Anniversary, we must recognize, celebrate, and THANK NASP co-founder and first Interim Executive Director Mike Nameth.

NASP would not exist without Mike’s vision, leadership, dedication, and constant support. Early on, Mike understood that education and certification were critical to the future success of the specialty pharmacy industry. He brought together industry leaders and talent and developed a shared vision, mission, and a strong foundation for NASP.

Mike has served selflessly and tirelessly since the formation of NASP as a member of the NASP Executive Committee, Board of Directors, and Chair and Board Liaison of the Education Committee.

Mike’s vision, talent, hard work, and dedication have been of benefit and helped advance the entire specialty pharmacy industry.

On behalf of the entire NASP membership, THANK YOU, Mike Nameth!

RECEPTION:
Meet the NASP Board of Directors

Tuesday, September 20, 2022
Located in the Exhibit Hall | 6:30 PM - 8:00 PM

Meet the NASP Board of Directors, network with colleagues, and reconnect with old friends!
READY TO GET STARTED?

Contact Corey Underwood at 972-910-6401 or corey.underwood@provista.com

Attendees are encouraged to tweet about the 2022 NASP Annual Meeting & Expo

#NASPAnnual

Complimentary Wi-Fi Sponsored by: [Keycentrix](https://www.keycentrix.com)
September 19-22, 2022
Orlando, Florida

Jointly provided by:
Partners for Advancing Clinical Education (PACE) and National Association of Specialty Pharmacy (NASP)

Target Audience
Pharmacists, pharmacy technicians and nurses.

Educational Objectives
Upon completion of this activity, participants should be able to:

1. Identify new specialty drug treatments, evidence-based clinical guidelines, and standards of care
2. Design enhanced patient drug/disease management programs to optimize clinical outcomes and cost effectiveness
3. Describe operational challenges that negatively impact the specialty pharmacy patient experience and business operations and construct solutions to increase patient satisfaction and efficiencies
4. Discuss regulatory updates and their impact on specialty pharmacy practice
5. Identify barriers to patient adherence and engagement and develop solutions to positively impact the specialty pharmacy patient journey and outcomes
6. Explain specialty pharmacy industry trends and determine potential impact on patients and business operations

Joint Accreditation Statement
In support of improving patient care, this activity has been planned and implemented by Partners for Advancing Clinical Education (PACE) and National Association of Specialty Pharmacy. PACE is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nursing Continuing Education
The maximum number of hours awarded for this Continuing Nursing Education activity is 12.0 contact hours.

**Maximum Credits available on September 22, 2022** 4.0

For Pharmacists and Pharmacy Technicians: Upon completion of the online evaluation, your credit will be submitted to CPE Monitor. Pharmacists/Pharmacy Technicians have up to forty-five (45) days to complete the evaluation and claim credit.

**Disclosure of Unlabeled Use**

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

**Disclaimer**

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

**Instructions for Credit**

In order to obtain your CE credit, please follow the steps below:

1. Login to the NASP Education Center at nasp.managewithstack.com
   a. If you are not currently a member of the NASP Education Center, please click “request access” and an invitation will be emailed to you within 1 business day.
2. Select a session in which you would like to claim credit. All sessions are located in the left side menu under the “2022 Annual Meeting” section.
3. Complete your profile information.
4. Complete the post-test/session evaluation.
5. Click “claim credit” to complete your CE credit redemption.

**For Pharmacists/Pharmacy Technicians:** Upon completion of the post-test/session evaluation online, your credit will be submitted to CPE Monitor. Pharmacists/Pharmacy Technicians have up to forty-five (45) days to complete the evaluation and claim credit.

**For Nurses:** Upon completion of the post-test/session evaluation online, your credit will be made available for download immediately.

Discover how you can help shape the future of your specialty pharmacy and optimize patient care with ScriptMed Cloud – the software solution most trusted by top pharmacies, payers and manufacturers nationwide. This configurable, scalable, end-to-end specialty and infusion pharmacy application provides:

Visit Inovalon at booth 205 to learn more about ScriptMed Cloud and how it can transform your business, improve patient outcomes and support winning contracts.

The full patient picture to help pharmacies create a trusted care plan and better outcomes

Unparalleled interoperability and clinical data connectivity to facilitate trusted reporting

Industry expertise and collective experience from a trusted ally

Trusted results.

Increased speed to treatment, lower cost to serve and improved revenue cycle operation

CenterWell Specialty Pharmacy serves the needs of its diverse patient populations

Centers of Excellence for:

- Oncology
- Neuromuscular
- Pulmonary
- Rare diseases
- Autoimmune
- Liver diseases
- Dermatology

20+ additional clinical programs for diseases including:

CenterWell Specialty Pharmacy is available to most patients: commercial, Medicare and Medicaid
