Law Firm

What is your organization's mission?

Our pharmacy law team's mission is to provide focused legal services to our pharmacy clients. By understanding your business, we are able to develop and implement solutions that will best suit your needs.

What else would you like people to know about Barclay Damon LLP?

Barclay Damon's pharmacy law attorneys represent clients in the pharmaceutical industry, including specialty pharmacies, across the nation.

We provide counsel to specialty pharmacies issues with PBMs, health plans and government entities, such as audits and investigations, network terminations and enrollments, and reimbursement disputes. We also represent pharmacies on matters pertaining to contract management, best practices and other business-related issues. Barclay Damon also represents entities in pharmacy and other health-care related transactions.
